Summary

Information Technology Student | Freelance Flutter Developer
I'm an Information Technology student at Delta Technological University (Class of June 2026) with a GPA of 3.5 (Excellent). As a freelance Flutter developer, I specialize in building high-performance, cross-platform mobile applications using Flutter and Dart. I offer full-cycle development services—from intuitive UI/UX design to publishing apps on Google Play and the App Store. My technical skill set includes working with Firebase, integrating RESTful APIs, and implementing clean architecture for maintainable and scalable codebases.

I'm proficient in multiple programming languages and technologies including:
SQL, Firebase, Flutter, Dart and OOP.

My focus is always on delivering fast, stable, and user-friendly applications tailored to meet client needs and exceed expectations.

Education

Delta Technology University
Bachelor's degree, Information Technology · (September 2022 - June 2026)
